

REGISTER OF ADMISSION

DIRECTIONS TO TEACHERS.

1. The names of the pupils should be written in full and register numbers should comprise a serial number and a number for the year of enrolment, for example, 30/55, in which "30" is the serial number and "55" denotes the year of enrolment, 1955. Serial numbers should start from "1" each year.

2. No pupil's name is to be re-entered unless the pupil applies for re-admission after being enrolled at another school.

3. In noting the religious denominations of pupils, the following abbreviations may be adopted, viz.:-

Church of England	---	---	---	C. of E.
Roman Catholic	---	---	---	R.C.
Presbyterian	---	---	---	Pres.
Methodist	---	---	---	Meth.

and similar abbreviations for other denominations.

4. When a child is classified, put the date opposite his name in the column denoting his grade or division. Thus 1/55 denotes the first month of 1955, or January, 1955. In the same manner, should a child be promoted to a higher grade or division, the date of transfer must be similarly registered.

5. When a teacher has reasonable grounds for believing that a pupil has left the school, the date of leaving should be recorded in the proper column, together with the occupation or other educational institution entered.

6. If a child is a bursar, the letter "B" should be written in the margin before his register number.
