Record Number	Description	Record Date	Decision (Full release, Partial release, Non-release)	Reason for Decision
1.	Report – Robson Environmental – analysis of pinboards sprayed coating T00956	20210208	Full release	
2.	Certificate – Robson Environmental Asbestos Clearance Inspection Pass T00956	20210301	Full release	
3.	Report – Robson Environmental – quarterly inspection with samples collected 11 March 2021 T00956	20210326	Full release	
4.	Report – Robson Environmental – analysis and risk assessment T009562	20210407	Full release	
5.	Report – Robson Environmental Respirable Fibre Estimation Test conducted 1 May 2021 T009563	20210501	Full release	
6.	Report – Robson Environmental Respirable Fibre Test, conducted 8 May 2021 T009563	20210509	Full release	

7.	Report – Robson Environmental Respirable Fibre Test, conducted 15 May 2021 T009563	20210515	Full release	
8.	Certificate – Robson Environmental Asbestos Clearance Inspection Pass T009566	20210515	Full release	
9.	Report – Robson Environmental Respirable Fibre Test, conducted 15 June 2021 T009566	20210615	Full release	
10.	Certificate – Robson Environmental Asbestos Clearance Inspection Pass, inspected 21 May 2021 T009563	20210621	Full release	
11.	Certificate – Robson Environmental Asbestos Clearance Inspection Pass T009568	20210628	Full release	
12.	Certificate – Keane Environmental Lead Removal Clearance, sampled on 30 June 2021 KE3704	20210702	Full release	
13.	Report – Robson Environmental Lead Paint Assessment – August 2021 T0095611	20210830	Full release	
14.	Report – Robson Environmental Quarterly Analysis and Risk Assessment, undertaken 1 October 2021 T00956	20211025	Full release	
15.	Report – Robson Environmental Asbestos Analysis and Risk Assessment T0095614	20220516	Full release	
16.	Report – Keane Environmental – Environmental clean and disposal of asbestos impacted material KEF1656	20220518	Full release	
17.	Report – JMB Environmental Consulting – Airborne Fibre Monitoring KEF1656	20220518	Full release	

18.	Report – JMB Environmental Consulting – Friable Asbestos Enclosure Check KEF1705	20220711	Full release	
19.	Report – Robson Environmental – Quarterly Analysis and Risk Assessment, undertaken on 4 July 2022 T00956	20220726	Full release	
20.	Report – Robson Environmental – Visual Inspection and Risk Assessment T00956	20220813	Full release	
21.	Report – JMB Environmental Consulting – Airborne Fibre Monitoring KEF1790	20220928	Full release	
22.	Report – Keane Environmental – Air Monitoring KEF1790	20220930	Full release	
23.	Report – JMB Environmental Consulting – Airborne Fibre Monitoring KEF1790	20220930	Full release	
24.	Certificate – L&D Consulting – Friable Asbestos Clearance LDJ01214	20221228	Full release	
25.	Certificate – L&D Consulting – Friable Asbestos Clearance LDJ01214	20230103	Full release	
26.	Report – Keane Environmental – Asbestos Assessment KE6020	20230213	Full release	
27.	Certificate – Robsons Environmental Asbestos Clearance Inspection Pass T0095618	20230326	Full release	
28.	Report – Robson Environmental - Respirable Fibre Estimation Test T0095618	20230326	Full release	
29.	Report – L&D Consulting – Asbestos Assessment – Hawker College, Student Services LDJ01676	20230626	Full release	

30.	Report – L&D Consulting – Lead in Paint Assessment, assessed on 7 July 2023 LDJ01285	20230715	Full release	
31.	Report – Robson Environmental – Lead Paint, assessed on 1 July 2021 T009569	20230709	Full release	
32.	Certificate – L&D Consulting – Friable Asbestos Clearance KEE1069	20230715	Full release
