TERMS AND CONDITIONS

The ACT Education Directorate defines a term as 10 continuous weeks of study.

REVIEW OF TUITION FEES

The ACT Education Directorate reserves the right to review its fees. If tuition fees are increased, you will be required to pay as they are introduced. All fees must be paid in advance for the full academic year.

PAYMENT OF FEES

Fees must be paid in Australian dollars by one of the following methods:

- credit card (MasterCard or Visa);
- bank draft/bank cheque payable to the ACT Education Directorate;
- telegraphic transfer (only available if payment is from overseas); or
- Electronic Funds Transfer (only available if payment is made in Australia)

The payer must meet all their bank's transaction fees associated with payment of fees. The ACT Education Directorate is not liable for any bank charges or foreign exchange variations.

A Confirmation of Enrolment will not be issued until all applicable fees are paid in full.

REFUND OF TUITION FEES POLICY

The ACT Education Directorate may issue a refund of paid tuition fees in the following circumstances:

- applicant's visa is unsuccessful;
- applicant withdraws;
- applicant is granted permanent residency to Australia;
- applicant's visa subclass changes to one that is in a fee exemption category;
- arrangements change before the student visa is granted;
- family illness makes travel to Australia impossible;
- post arrival in Australia, the applicant is required to return to the home country due to illness or other compelling circumstances; or
- after commencing study, the applicant fails to transition successfully within the first academic school term (10 weeks) after arrival.

The International Education Unit (IEU) should be advised in writing if a visa application has been denied. The Department of Home Affairs visa rejection letter must be provided.

If illness, or other compelling circumstances, makes travel to Australia impossible, the Department of Home Affairs visa issuing office should be notified that the visa should be cancelled. Evidence of the cancellation must be provided to the IEU.

In the event of unsuccessful transition, mediation processes will be enacted and the final decision will be made by the ACT Education Directorate.

The IEU must be notified in writing of any decision to change study arrangements of the applicant.

Requests for refund should be made using the "Application for Refund Request Form" available [here](#).

The initial application fee of AUD\$265 is not refundable.

The IEU will process refund requests within four (4) weeks of receiving the written claim and will submit the finalised claim to Shared Services Accounts Payable for processing. Payment may take a further six (6) to eight (8) weeks.

If a refund is approved due to permanent residency being granted, the refund will be paid from the date of residency grant. Evidence of residency must be provided with the refund application.

For continuing students who elect not to complete a course in which they are enrolled, the following refund payments apply:

- if written advice is received before 9.00am on the first day of the academic school semester, 90% of the unused portion of paid tuition fees will be refunded;
- if written advice is received after 9.00am on the first day of the academic school semester and before 5.00pm on Friday of Week 4 of the academic school semester, 50% of the unused portion of paid tuition fees will be refunded; or
- if written advice is received after 5.00pm on Friday of Week 4 of the academic school semester, no refund is payable.

Tuition fees are not refundable if the applicant's enrolment is cancelled due to breaches of the visa conditions as approved by the Department of Home Affairs. This includes attendance falling below 80%, academic performance below the course standard and non-compliance with welfare conditions. Tuition fees are also non-refundable when the applicant's enrolment is cancelled due to non-adherence with the terms outlined in the offer letter.

The ACT Education Directorate, as the provider, will approve a refund of course fees due to default as legislated in the [Education Services for Overseas Students Act 2000](#) and/or the [National Code of Practice for Providers of Education and Training to Overseas Students 2018](#). Provider default occurs when the provider fails to deliver a course or ceases to provide a course to a student. In the event of a default, the ACT Education Directorate will arrange a place in an alternative course for the applicant at no cost or will provide a full refund of course fees. This will be finalised within fourteen (14) days after the default day and the new arrangements are accepted in writing.

Refunds will be reimbursed in Australian Dollars in the form of Electronic Funds Transfer.

VISA BREACHES

If the applicant is found to be in breach of their visa conditions or their terms of enrolment, they will be issued with a "Notice of Intention to Report" to the Department of Home Affairs for non-compliance. The notice will outline the visa breach, actions undertaken by the ACT Education Directorate and the impact of intervention strategies.

Students have a right to appeal the "Notice of Intention to Report" within twenty (20) working days from the date of issue. Information on the appeals process will be provided in the notice.

SUSPENSION OR CANCELLATION OF ENROLMENT

The applicant's enrolment may be suspended or cancelled if:

- applicable tuition fees are not paid by the date specified on the invoice;
- applicant is found to be in breach of their Department of Home Affairs specified visa conditions;
- applicant fails to meet the course progress requirements; or
- applicant fails to adhere to the school's Code of Conduct and/or the [Guidelines for Students on a Subclass 500 Visa](#).

Suspension or cancellation of enrolment may impact on the applicant's future visa applications to Australia.

DEFERRAL OF STUDIES

The applicant may apply to the ACT Education Directorate to defer their course of study due to compassionate or compelling circumstances. Examples could include serious illness, injury or trauma, bereavement of a close family member, major political incident in the home country, natural disaster or a pandemic. The ACT Education Directorate will consider the impact of the student's capacity and/or ability to progress in their course of study. The maximum period that studies can be deferred is six (6) months.

Applications should be made in writing and addressed to the Senior Director International Education Unit and should be submitted via email to ieu@act.gov.au and include evidence to support the request.

Deferral of studies may impact on the applicant's future visa applications to Australia.

COMPLAINTS AND APPEALS

The applicant has a right of appeal of any decision of the ACT Education Directorate, including the "Notice of Intent to Report", and will be advised in writing of their appeal options. Internal appeals must be lodged in writing within twenty (20) working days of receipt of the internal decision. Internal appeals should be made in writing and addressed to Executive Branch Manager Universal School Support. Appeals should be lodged via email to ieu@act.gov.au and include evidence to support the appeal.

The ACT Education Directorate will commence a review of the appeal of the internal decision within ten (10) working days of receipt of the appeal. Appellants will be provided a written outcome of the appeal within ten (10) working days of the internal appeals process being finalised, including details and reasons for decision.

If the appellant is unsuccessful in their internal decision appeal they may lodge a further appeal to an external body. Details of the external appeals process will be provided in the appeals decision letter.

Applicant's unsuccessful with an internal appeal and who do not lodge a further external appeal will be reported to the Department of Home Affairs as being in breach of their student visa conditions. Notification to the Department of Home Affairs will only occur after the internal (and external if relevant) appeals process has been finalised. The ACT Education Directorate will maintain applicant enrolment, and accommodation and welfare arrangements, while any external review process is ongoing, unless extenuating circumstances relate to the welfare of the student.

If the applicant has any complaints about the conditions set out by the ACT Education Directorate, or the services it provides, attempts should be made to resolve the problem with the IEU directly. If the complaint cannot be resolved initially, the applicant may refer the matter in writing to the Executive Branch Manager Universal School Support. The referral should be submitted via email to ieu@act.gov.au. Following a review of the complaint, the applicant will be advised of the outcome in writing. If the applicant is not satisfied with the outcome, an external appeals mechanism will be made available.

The applicant may also refer their complaint to the ACT Education Directorate online via the [ACT Education Directorate contact form](#).

This process does not remove the applicant's (or the parent/legal custodian's) right to take further action under [Australian consumer law](#).
