

FREEDOM OF INFORMATION (FOI) REQUEST

I refer to your application under section 30 of the *Freedom of Information Act 2016* (the Act), received by the Education Directorate (the Directorate) on 3 November 2021, in which you sought access to:

'any final briefs prepared for any ACT Minister(s) or ACT Government witnesses during 2021–2022 Budget Estimates Hearings.'

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the Act.

The Education Directorate was required to provide a decision on your access application by 1 December 2021. On 30 November 2021 you agreed to an extension to 7 December 2021 and on 7 December 2021 you agreed to a staged release of the records relevant to this FOI request.

Thank you for agreeing to the extension and to a staged release, with Stage 2 to be provided to you on 14 December 2021.

Decision on access

Searches were completed for relevant records and one record was identified that falls within the scope of your request. This record is the briefing pack that was prepared for both the Minister and all witnesses and includes an index for reference purposes along with a list of the witnesses.

I have decided to grant partial access to the record with deletions applied because it contains information that I consider, would, on balance, be contrary to the public interest to disclose under the test set out in section 17 of the Act. Access is partially provided under section 50 of the Act.

My access decision is detailed further in the following statement of reasons.

The record released to you is provided as Attachment A to this letter.

Material considered

In reaching my access decision, I have taken the following into account:

- the FOI Act, particularly sections 16, 17 and 50, and schedule 2;
- the content of the records that fall within the scope of your request; and
- the *Human Rights Act 2004* [if applicable]

Reasons for decision

I have decided that the factors favouring disclosure, as listed at Schedule 2.1 of the Act, are that disclosure of the information could reasonably be expected to:

- *promote open discussion of public affairs and enhance government's accountability* (Schedule 2, 2.1(a)(i));
- *contribute to positive and informed debate on important issues or matters of public interest* (Schedule 2, 2.1(a)(ii));
- *inform the community of the government's operations, including the policies, guidelines and codes of conduct followed by the government in its dealings with members of the community* (Schedule 2, 2.1(a)(iii)); and
- *reveal the reason for a government decision and any background or contextual information that informed the decision* (Schedule 2, 2.1(a)(viii)).

I have decided that the applicable factors favouring non-disclosure in the public interest, as listed at Schedule 2.2 of the Act, are that the information could reasonably be expected to *prejudice the protection of an individual's right to privacy or any other right under the Human Rights Act 2004* (Schedule 2, 2.2(a)(ii)).

I have considered the factors favouring disclosure and the factors favouring non-disclosure.

I place significant weight on the positive contribution of open discussion of public affairs, contributing to informed debate on important issues and the factors that underpin transparency of government processes. As such, most of the information is fully released.

Information relating to third parties, or that could lead to the identification of individuals has been deleted as I have concluded that the individual's right to privacy has a higher standing of public interest not to disclose, than the public interest in disclosing this information.

Online publishing – disclosure log

Under section 28 of the Act, the Directorate maintains an online record of access applications called a disclosure log. Information about your request, my decision and
