

Scrutineer Appointment Form

A nominee is allowed to appoint a scrutineer.

In the new online voting system scrutineers will receive a copy of the voting report for their school from the Assistant Returning Officer. This report will list each vote that was made and count the votes for each candidate. It will not contain any identifying information about who the voters were. The scrutineer will also receive an information sheet about how the voting system works.

The nominees will appear in a different order when each voter logs in so scrutineers will no longer observe the old process of the Assistant Returning Officer drawing the names of nominees for positioning on the ballot paper.

Please use this form to nominate a scrutineer receive a copy of the voting report for the ballot. This form must be received by the Assistant Returning Officer prior to the votes being counted.
