2 Includes students from specialist schools.

Explanatory Notes

Reference date

The 2015 February census was conducted on Wednesday 18 February 2015.

Scope and coverage

The February census includes all ACT public schools providing primary, secondary and specialist education. Jervis Bay School was included in ACT public primary schools as the Education and Training Directorate administers the Jervis Bay School for the Australian Government under a service agreement.

Collection

ACT public school census data was electronically downloaded from the Directorate's centralised administrative system. Non-government school census data was electronically submitted to the Directorate.

Student enrolments

The census included students who were officially enrolled in a school on census day and who were active in a primary, secondary or specialist education program at that school. Students who were absent for more than four continuous school weeks prior to census date were included if the principal received written documentation signed by the guardian indicating that the student was to return to school on or before 28 February 2015.

Primary school level

The primary school level of schooling included students from preschool to year 6. Preschool level data also included students who were attending a preschool program as an early entry student.

High school level

The high school level of schooling included those students in years 7, 8, 9 and 10.

College level

The college level of schooling included those students in years 11 and 12 as well as those students defined as mature and older.

Specialist schools

Specialist schools cater for students with a moderate to profound intellectual disability, severe Autism Spectrum Disorder or with multiple disabilities that require intensive levels of support.

Mature students (M)

Students in public schools aged 20 years or over on 31 January in the year of commencement of their college studies were classified as Mature.

Explanatory Notes (continued)

Connect10

The Connect10 program supports students to develop a personal pathway plan that may include one or more of the following goals: completion of Year 10 Certificate, transition to years 11 and 12, vocational learning, employment and/or re-engagement with high school. Students in the program are an appropriate age for year 9 or 10 and their participation must be approved by a referral panel. The length of placement is long term, designed to engage students in learning and training and transition to future pathways.

Connect10 programs were conducted at Lake Tuggeranong College, University of Canberra Senior Secondary College Lake Ginninderra and Dickson College.

Introductory English Centres

Introductory English Centres (IECs) are for students who require intensive full-time English language instruction.

There were five IECs in the primary sector, conducted at North Ainslie Primary School, Hughes Primary School, Wanniasa Hills Primary School, Charnwood-Dunlop Primary School and Palmerston District Primary School. There was one IEC in the high school sector and the college sector, conducted at Dickson College.
