

SCHOOL POLICY: CORPORATE SPONSORSHIP

PUBLISHED: September 2001

IDENTIFIER: CSP200109

CONTACT: Information, Communications and Governance

RELATED POLICIES: *Parent Contributions to School Finances*

RELATED INSTRUCTIONS

AND GUIDELINES: *Education and Training Delegations Manual; School's Financial Instructions.*

1. PURPOSE

1.1 To provide procedures for schools and central office units entering into sponsorship arrangements.

2. DEFINITIONS

2.1 *Sponsorship* is the negotiated provision of funds, goods or services to schools and central office units in exchange for advertising, publicity or other benefits.

Sponsorship:

- may take the form of cash support and/or provision of material goods or other resources, such as labour or facilities, in exchange for agreed acknowledgment;
- may be between one or more schools and/or central office units and one or more organisations; and
- does not include direct commercial dealings between organisations and schools/central office units, simple donations of goods and services, or materials developed independently by organisations for use in schools/central office units.

2.2 A *Sponsorship Agreement* is a written document outlining the negotiated terms for a sponsorship.

Agreements may be:

- with a business or organisation;
- the first step to, or the outcome of, links formed with business and other community organisations; or
- part of, or an outcome of, a much wider relationship with the community.

Agreements may take the form of:

- an exchange of letters;
- the sample Sponsorship Agreement (Attachment C);
- the Sponsorship Contract and Schedule (Attachment D); or

- a full Legal Agreement (available from Legal Liaison and Regulation Section).

2.3 *Schools* include all directorate centres involving students.

2.4 *Central office units* include all office areas within the directorate.
(Note: *Donations* are unconditional gifts of money or materials. This policy does not apply to donations.)

3. POLICY STATEMENT

3.1 The sponsorship activity must be consistent with the values, corporate purpose and goals of individual schools, the directorate and the ACT Government.

3.2 All sponsorship monies received by schools/central office units become monies of the directorate and must be treated in accordance with the procedures laid down in the *Financial Instructions* pursuant to the *Financial Management Act 1996* (ACT). In the case of schools, sponsorship monies are to be placed in the school's management account and are to be identified in ledger code 530 in accordance with the *School Management Manual*.

3.3 Staff must not individually benefit as a result of sponsorship. *The Public Sector Management Standards, Standard 4, Ethics* state that staff must not take, or seek to take, improper advantage of their position in order to obtain benefits for themselves, their family or any other person or organisation. The benefits of a sponsorship must go to a school/central office unit, a group of schools/central office units, or the system as a whole.

4. MONITORING AND REPORTING RESPONSIBILITIES

4.1 **Schools** are required to:

- maintain accurate copies of all sponsorship agreements;
- advise their director (schools) of all sponsorships at the outset of formal negotiations; and
- ensure details of sponsorship income and expenditure are forwarded to their director (schools) and indicate how each sponsorship benefited students.

4.2 **Directors, School Operations** are required to:

- keep a record of all sponsorship agreements in their area of responsibility including details of sponsorship income and expenditure provided by schools;
- monitor adherence to the principles and mandatory procedures of this policy for all sponsorships in their district;
- provide advice, where necessary, on the implementation of the sponsorship policy and procedures; and
- ensure details of sponsorship income and expenditure are forwarded to the Executive Director, Education and Training Directorate, indicating how each sponsorship benefited students.

4.3 **School Boards** are required to include details of all current sponsorship income and expenditure in the school's annual report including details of how each sponsorship

benefited students. School boards retain the right to decide whether to participate or not in system wide sponsorship.

5. Central Office Units

5.1 Managers are required to:

- advise their Director of all sponsorships when they are in the process of being negotiated by the section;
- seek approval for the sponsorship from their Director; and
- ensure details of sponsorship income and expenditure are forwarded through their director to the relevant Executive Director and indicate how each sponsorship benefited students.

5.2 Directors are required to:

- maintain a record of all sponsorships in their branch;
- provide advice on and, at times, assist with negotiation for sponsorship of system-wide activities; and
- monitor adherence to the principles and mandatory procedures of this policy for all sponsorships in their branch.

6. FINANCIAL ACCOUNTABILITY

6.1 Where a commercial agent is involved in arranging sponsorship for a school/central office unit, the Principal/Manager must:

- ensure any commission arrangements are between the commercial agent and the prospective sponsor;
- ensure the directorate, including schools, incurs no liability from any commission arrangements; and
- seek advice from their Director where there is a doubt about any of the issues raised above.

6.2 All monies received under a sponsorship agreement will remain under the control of the school or central office unit involved in the agreement.

7. SCHOOLS AND CENTRAL OFFICE - AUTHORITY TO NEGOTIATE AND APPROVE SPONSORSHIPS

Sponsorship, Negotiation, Approval and Agreement, (Attachments A and B), provide guidance to establish sponsorships by schools and Central Office based sections.

8. ASSISTANCE WITH AGREEMENTS

Assistance such as the provision of sample letters or formal agreements can be obtained from Legal Liaison and Regulation Section.

- 9.1 The negotiation of sponsorship agreements must proceed according to the following procedures no matter what the size and scope of the sponsorship arrangement.
- 9.2 Sponsorship must be seen as an opportunity to enhance the education of students. Sponsorship must be viewed as a supplement to education activities, not relied on as a permanent source of funds and not as the major source of funds for education programs. Public funds are provided for education programs on a system wide basis.
- 9.3 Acceptance of a sponsor's product or service must not be made a condition for student or staff participation in the sponsored activity or program. For example, should individual students or their parents conscientiously object, schools must neither insist on those students wearing clothing carrying the sponsor's name or symbol, nor constrain those students from participating in the sponsored activity. Students may, for example, wear alternative gear.
- 9.4 The educational rationale for the activity to be sponsored should be foremost in discussions and specified in the sponsorship agreement (see section 10 below and Attachment C). Any sponsorship agreement must not compromise the professional standard and ethics of staff. In the case of schools, sponsorship agreements must not limit or direct academic debate in the classroom or influence the curriculum or other school programs.
- 9.5 Direct sponsorship agreements should only be negotiated with organisations whose public image, products and services are consistent with the values, corporate purpose, goals and specific policies of individual schools, the directorate and the ACT Government.
- 9.6 Any company or organisation whose name is associated with the manufacture, distribution or sale of tobacco products, alcoholic beverages, pornography or armaments is not regarded as an appropriate sponsor. This would not necessarily preclude involvement with local clubs, supermarkets and other businesses, provided that their name is not linked to inappropriate products.
- 9.7 When considering an organisation as a potential sponsor, schools or central office units should evaluate the appropriateness of:
 - the type of products or services the organisation markets;
 - the marketing methods used;
 - it's public image as an employer and the impact it's products and processing have on the environment.
- 9.8 Where there is doubt as to the suitability of an organisation, the sponsorship negotiations should not proceed until advice has been sought from the relevant School Network Leader or Manager.

10. LEGAL ADVICE, CONTRACTS AND WRITTEN AGREEMENTS

- 10.1 Sponsorship documents must be retained for at least seven years after expiration of the sponsorship.
- 10.2 Each sponsorship agreement (including exchange of letters or full legal agreement) shall be made for a specific period and purpose. Sponsorship agreements may be re-negotiated by either party. The agreement should ensure neither the individual school or central office unit nor the directorate will be out of pocket in the event that a sponsor withdraws.

- 10.3 Every sponsorship agreement shall contain a clause which allows for the cancellation of an agreement (refer to the conditions contained in the Sponsorship Agreement, Attachment C) without penalty, where information questioning the appropriateness of an organisation as a sponsor comes to light after the agreement has been signed.
- 10.4 Schools or central office units should ensure all acknowledgment arrangements are detailed in the agreement to avoid any future dispute over the nature of the obligations.

11. ACKNOWLEDGMENT

11.1 The extent of acknowledgment should reflect the level of sponsorship. Sponsor acknowledgment should also be in a form consistent with the standards and values of individual schools, the directorate and the ACT Government. The public nature of the government school system should not be infringed or impaired by sponsorship schemes. In particular, the directorate's name, school's name, official letterhead, general uniform, and buildings should not incorporate the names or logos of sponsors and should not be used to advertise sponsors' products. While forms of acknowledgment may vary the following methods are acceptable:

- placement of a plaque or notice in a school or office foyer acknowledging the support of a company which provided the resource;
- attendance by the sponsor at school or directorate functions such as concerts, dinners or presentation nights and an opportunity for the sponsor to make an address or present awards at such functions; public display of signs acknowledging the sponsorship at relevant school or directorate functions;
- acknowledgment of the sponsorship in one or more of the school's or directorate's bulletins or newsletters, perhaps as an advertisement;
- inclusion of a byline, foreword or advertisement from the sponsor in a school's prospectus, magazine or other publication; and/or
- sponsor's logo or name on sporting outfits.

11.2 The school's badge or the directorate's logo, must be prominently displayed in conjunction with any sponsor's name, logo, trademark or symbol used at an activity, on any printed matter or on clothing. The school's badge or directorate's logo shall be at least the same size as the sponsor's logo.

12. ENDORSEMENT

- 12.1 Although sponsorship agreements may provide exposure of the sponsor's corporate logo or name, the written agreement must not endorse or recommend any product or service. Furthermore, neither staff nor students may be involved in marketing commercial products of sponsors.
- 12.2 Directorate staff should not actively recommend or endorse a product or service and no statement in the sponsor's advertising should imply that a product or service is recommended or endorsed by the directorate.

13. REPORTING PROCEDURE

Principals will be required to include in school board reports and regular financial statements of the school at the end of each year the sponsorship agreements entered into during that year for amounts of \$5,000 and over.

14. FINAL AUTHORITY

Final authority over any sponsorship agreement, sponsorship contract or full legal contract ultimately rests with the Director-General.
